For Monaco Flowers & Gift Shops

"My bouquet turned out more beautiful than I ever imagined it would be; I felt that I got a better bouquet than I paid for. I appreciate how you worked with my budget and gave me ideas on how to get what I wanted without compromising what I truly loved. Thanks so much."

The flowers made it that much more memorable and we will always be grateful to you for that!** [Tricia], you are an amazing woman with an amazing heart! THANK YOU! I will recommend you to everyone I know! **Brian and Rachel Belakjon (2009)**

We both loved our wedding flowers!
You did a great job of taking pictures that I gave you and finding flowers that would look beautiful and fit with our budget. I loved the variety that you came up with and you also did a beautiful job of coordinating the blooms for the cake with the bouquets! Thank you for being so easy to work with, and helping us stay within our budget. Our flowers were absolutely gorgeous! Thank you for contributing to our special day!

Thank you for making our wedding beautiful, and taking the extra time in your home to allow us to look at your arrangements.
The **photos of your previous weddings were great and helped us decide on the Lillys.** You knew exactly what we needed and wanted. The flowers were amazing!! Thanks for helping us remember the special

people in our lives. You made sure all the parents, grand parents, aunts and uncles were all taken care of. The wedding party flowers were more beautiful than we could of ever imagined. Thanks again!!!! **LaMonica & Mike (2009)**

It was great working with Tricia.
She was able to work with our very tight budget and still fill our wedding day with beautiful flowers. She helped me find the most perfect flowers to match our wedding color. They looked amazing with the bridesmaids dresses! With all the the things I had to worry about on the wedding day it was a relief to be pleasantly surprised by how beautiful the flowers were. Thank you Tricia!

Thanks again! **Heather Romero (October 2009)**

"Tricia Monaco is a joy to work with in every sense- she is extraordinarily creative, has a pleasant personality, works very hard and is always open to suggestions. Tricia has selflessly volunteered her personal time and talents, as a committee member, on a variety of fundraising events for St. Patrick House since 2005. The elegant centerpieces, boutonnieres and corsages she designed were flawless and exceeded my expectations. I recommend Tricia Monaco and Monaco Flowers to you without hesitation." **Kathryn L. McCleerey** Development Officer, St. Patrick Hospital and Health Foundation

"When I asked you to do the flowers for my wedding, you were so thrilled! I could hear the passion of your work in your voice the many times we spoke long distance. Over the next 6 months - through phone calls and emails - you made everything very simple. **You embraced my ideas and added a few of your own that worked brilliantly with mine.** We wanted huge arrangements and lots and lots of flowers. When you arrived in Florida, you had a plan and got to it. I cannot tell you how impressed I was with your hard work! You went above and beyond; **no request was to big for you to handle.** You truly have a gift when it comes to flowers. I can't thank you enough for making my wedding sooooo beautiful!!!! You are the best floral

designer to hit South Florida!!!!

You really did an amazing job!

GOOD LUCK WITH YOUR SHOP!!!

XOXOXO
